MIDLAND VALLEY FFA ARCHERY TEAM INVITED TO PARTICIPATE IN WORLD ARCHERY TOURNAMENT

GRANITEVILLE, SCMost teams would be content finishing their season as South Carolina State Champions, but not the Midland Valley FFA Archery Team. The team coming of their record setting season not only won a position to represent South Carolina at the NASP National Archery Tournament in Louisville Kentucky, but recently received an invitation to participate in the 2nd Annual NASP World Archery Tournament in Orlando Florida.

“This is an outstanding opportunity for the students,” said archery team coach Jeremy Brooks. “It is something that the team has worked two years to achieve and we are ready to shoot the World Tournament.”

The 2010 World Invitational Tournament will be held October 6-9th at the Josten’s Center located at Wide World of Sports. For those archers who would like to participate, a very exciting 3-D NASP Tournament at the Atlanta Braves’ Winter

Baseball Stadium located adjacent to the Josten's Center will also take place. This World Invitational will be open to teams from all across the United States plus qualifying teams resulting from national tournaments in Canada, South Africa, Australia, and New Zealand.

The National Archery in the Schools Program (NASP) is a joint venture between the South Carolina Department of Natural Resources, the State Department of Education and several archery equipment manufacturers and organizations. The program promotes student education, physical education and participation in the life long sport of Archery. The program's focus is to provide International Style Target Archery training to students in grades 4-12.

For more information regarding the archery program or its fundraising efforts, contact Coach Jeremy Brooks at the high school, (803) 593-7142.
