OUTSTANDING SERVICE AWARD PROGRAM

PURPOSE:

The Outstanding Service Award Program provides recognition for members past the age of 45 who have been very active and rendered outstanding service to the Young Farmer and Agribusiness Program for many years. Most chapters have members who have made significant contributions to the development and improvement of the program by providing leadership in the local chapter and/or State Association, participated in National Institute, and promoted agriculture through other groups, civic, community and religious organizations, etc.

One member from each chapter may be recognized annually with the presentation of a certificate during the State Convention. All chapters are encouraged to recommend a member to receive this award.

Please submit the following form by December 1, so certificates may be prepared for presentation at the convention.
